PROFILE

A full-stack development enthusiast looking forward for exciting and challenging job opportunity to use and enhance my skill sets and work for the betterment of the organization and society. I am a passionate person who willing to learn and share with everyone.

EXPERIENCE

- E-Learning Platform - Ministry of Interior** May 2025 - Aug 2025
Full - Stack Developer Intern
 - Developed an internal e-learning platform for managing students and lessons within the department of Digital Technology and Media, MOI.
 - Worked on the whole project both front-end and back-end development, as well as prototyping and database design.
 - The user interface was developed using React and Tailwind CSS, while the back-end was built with ASP.NET Core and a SQL Server database.
- Timetable Maker - Capstone Project** Jan 2025 - Apr 2025
Full - Stack Developer
 - Developed a user-friendly, interactive and automated timetable generation system to optimize class scheduling at CADT.
 - Designed UX/UI and developed user interface using React and Tailwind, ensuring a responsive and intuitive user experience.
 - Integrated a PHP backend with Laravel to support the timetable request feature.
 - Collaborated with teammates and received mentorship from advisors.
- UniSeek - Bootcamp Project** Jan 2025 - Mar 2025
Front - End Developer
 - Developed a web app to help students find universities, featuring a mentorship system for study insights.
 - Developed the user interface using React and Tailwind CSS.
 - Implemented a search algorithm with Fuse.js for efficient university searches.
 - Designed UX/UI using Figma and handled data entry.
 - Team collaboration and mentoring session from trainers.

ACHIEVEMENT

- Next Gen Enhancement Program** Aug 2024 - Sept 2024
Database Analysis and Design Lecturer
 - Taught junior students a database course to prepare them for the next term at CADT.
 - Received mentorship from seniors, worked on projects, and collaborated with the team.
- JCI - 2024 Junior Leadership Academy** Feb 2024 - Sept 2024
 - Volunteered with JCI Chaktomuk for the PSD project.
